

If You Can Pray, You can Save Lives!

40 Days for Life Atlanta Campaign

by Hannah Carter, Director of Education
September 18, 2009

Payer: the ability for man to make a request or petition to God. The amazing part is that we all have the ability to pray. However, how often do we take time to have a specific time of set apart prayer for the unborn and for the ending of abortion?

40 days for Life was founded for that purpose. It is a set apart time from **September 23-November 1** to fast and pray for the unborn. In just a few days, *40 Days for Life Atlanta* will be launching its fall campaign.

40 Days for Life is a focused pro-life effort that consists of:

- 40 days of **prayer and fasting**
- 40 days of **peaceful vigil**
- 40 days of **community outreach**

While all aspects of *40 Days for Life* are crucial in the effort to end abortion, the most visible component is the peaceful prayer vigil outside the local abortion (or Planned Parenthood) facility. The Atlanta vigils will cover twelve hours per day, 6 am through 6 pm seven days per week throughout the campaign period.

Will you help? Will you give an hour or two, or a day to stand on the frontlines of life and death? Very few times do you get the chance to truly exercise your beliefs in a real and tangible way.

You can help make a life-saving impact by joining one of the local vigils at:

***What if you praying
for an hour in front
of a clinic lead to a
child being saved?***
