

Dear Faithful Readers,

Today, we are publishing our 4<sup>th</sup> edition of the Georgia Right to Life e-News. Our goal is to bring stories to you every other week that add a personal touch to the current pro-life issues. It is our intent to put faces to the names of our employees and volunteers so that you can have a meaningful relationship with us.

This issue is all about actions; actions that you can take to make a real difference in your community. We begin with 40 Days for Life that starts on Wednesday, September 23<sup>rd</sup> and runs to November 1. Hannah's article explains the mission and how you can participate.

On Sunday, October 4<sup>th</sup>, attend a Life Chain in your area. Can an hour of prayer and silence make a difference against abortion? Debbie's article explains why it most certainly can!

Finally, get "plugged in" with Daniel Cohen, GRTL's first ever intern. We are so proud to have Daniel on our team and hope that today's introduction will be only the beginning of his relationship with you, our pro-life friends.

Please feel free to email me with your comments, questions, etc. And, enjoy reading and passing this e-News on to others.

*Linda Powell*
