

Choose Life Convention 2007

You have a passion...

You believe abortion is wrong...

But how can YOU make a difference?

MARK CRUTCHER

Mark Crutcher is the founder and president of Life Dynamics Incorporated. Under Mark's direction, Life Dynamics has done groundbreaking research on the abortion industry and has conducted several unique undercover investigations that have exposed scandalous and even illegal activities at abortion clinics. From documenting how Planned Parenthood and NAF clinics are concealing child rape, to exposing the practice of abortion clinics selling the body parts of aborted babies, Life Dynamics leaves no stone unturned in it's fight to return full legal protection to every child - born and pre-born.
