I Support the Georgia Human Life Amendment

- The rights of every person shall be recognized, among which in the first place is the inviolable right of every innocent human being to life. The right to life is the paramount and most fundamental right of a person.
- With respect to the fundamental and inalienable rights of all persons guaranteed in this Constitution, the word "person" applies to all human beings, irrespective of age, race, sex, health, function, or condition of dependency, including their unborn children at every state of their biological development, including fertilization.
